

2024 WILLIAM MAIN SEMINAR SERIES

WOODY BIOMASS UTILIZATION
IN CALIFORNIA

CHRISTIANA DARLINGTON

Founder and
Attorney, CLERE Inc.

SEMINAR 2: THE FUTURE OF BIOPOWER IN CALIFORNIA

Join Christiana Darlington, Attorney at Law, for an in-depth look at California's bioenergy sector, its role in removing hazardous fuels from our forests, and future opportunities and challenges for this sector with an emphasis on how bioenergy can achieve carbon neutrality.

**TUESDAY
MARCH 19**

MULFORD HALL ROOM 132
4:00-5:30PM
